Chapter 1

Introducció al projecte

1.1 Introducció

Aquest projecte neix de les converses amb Enric Mayol, que introdueix l'API¹ de FamilySearch i proposa realitzar un projecte relacionat amb les dades emmagatzemades per aquesta organització.

Another enumeration

Let's write something in here

let's try to fill a litle bit of sections some lore ipsum goes in here jsut to fill one or two different lines i think htat this should be just enough but lets just type a little bit more to make it maybe three or four lines.
